### Wagglers Corner

#### Featured Pet!

Duke is a 5 year old Great Pyreneese/Anatolian Mix. This big guy is filled with nothing but love. Duke absolutely loves people and enjoys playing in the yard with you even more. His favorite activity is fetch, and he could do it for hours on end. Duke knows how to sit, shake and lay down and performs these tasks eagerly when asked to do so. This guy lives to please the people he loves. Duke would make an awesome companion. He is neutered and up to date on his vaccinations. If you are interested in adopting this wonderful dog call us at 530-695-3814 or stop by our Shelter at 585 Meyers Avenue, Gridley Tue-Sat 12-6. Or you can visit our website at [www.sbk9rescue.com](http://www.sbk9rescue.com)

## Volunteer Spotlight Michelle

### How long have you been volunteering at SBK9 Rescue?

I have been working at the Thrift Shop for over a year and I love it so much that I work from 9 a.m. to 5 p.m. everyday.

### What inspired you to volunteer at the rescue?

What inspired me to volunteer is that they are here to help the animals. I love the environment and the people I work with.

### What are your volunteer duties at the rescue?

I do a little bit of everything.

### Tell us about your own furry friends.

I have four dogs. A Daschund, a Cairn Terrier, a Pomeranian and a Daschund/Pomeranian mix. My female Cairn Terrier and my male Daschund are the parents of Kobe, who is a little mascot here in the shop.

Please support these generous, supportive friends of Sutter Buttes K9 Rescue with your business this Holiday shopping season.

# *Silver Dollar Saloon*

330 First Street Marysville, CA 95901

There are lots of great things to do at the Silver Dollar Saloon.

One of the city's oldest historical landmarks, it dates from the mid 1800's. The Saloon, situated on the corner of first and D Streets in Marysville, was at one time the center for most of the area's trade and the first stop for many of the miners on their way to the gold mines. It retains its historical significance and atmosphere today in beautiful Historic Marysville, itself, always worth a visit.

It is famous, local, and known for its burgers to slow down.

**HOURS:**  
Sunday-Thursday 11:00 AM- 9:00 PM  
Friday-Saturday 11:00 AM-2:00 AM

One reason to love it, though, is because of its patio, where you are welcome.

Our mild California weather allows dining on the patio for most of the year which makes the Silver Dollar Saloon a great place to visit.

## Harley's Tips:

The Holiday Season brings many special times with friends and family but it can also bring new hazards for your pets. Please take extra care of your furry family members' well-being as the festivities commence.

- Christmas tree holders harbor bacteria. Don't let your pet drink from them.
- Tinsel, wires, lights and ornaments can be hazardous to pets, possibly causing blockages or even electrocution. Keep them out of reach.
- Candles and fireplaces can injure your pets or even cause fires.
- Keep sweet treats, especially chocolate and the artificial sweetener xylitol away from your pets. They can be deadly.
- Spicy, fatty foods or foods with bones should NEVER be given to your pet. Make sure garbage is completely out of pets reach.
- Make sure to keep cocktails out of your pets reach, as they can cause serious illness, including death.
- If you plan to give your pet a Christmas Treat, make sure that you give durable dog toys that are indestructible. No ribbons or loose parts that your pet can ingest.
- Remember to tell your guests to keep their medications (and chocolates or other sweets) in a safe place, zipped up, where Rover can't get to them.
- Make sure your pet has a quiet, secure place to go. Some pets get very nervous at holidays, with people coming and going and it can cause stress in your pet.
- As you count down to the new year, remember confetti and poppers can be very dangerous if swallowed. Loud noises, fireworks and horns can terrify pets and also cause hearing problems.
